NPatterson@adelsonmclean.com

Nathaniel Patterson graduated from the Western State College of Law and has been admitted to the California State Bar. He has experience handling all aspects of civil litigation matters for individuals, as well as corporations, from inception all the way through trial, including catastrophic injuries and wrongful death matters. Nate's experience also includes corporate collection matters, business litigation, and corporate formation for small businesses.

Nathaniel dedicates himself to seeking the best course of action to achieve his client's needs in a cost effective manner. His concern for his client's needs provides him the passion to seek the best results for each of his clients.

His competitive spirit stems from his years of playing collegiate football, and he utilizes this competitiveness to obtain best results on behalf of his clients. His organization, responsiveness, attention to detail help him create an individualized theme for each case.
