Elizabeth Sutlian-Mardikian is an experienced attorney who has devoted her career exclusively to litigation. She has represented a broad spectrum clients, ranging from individuals, small business owners, large corporations, public entities, and non-profit organizations.

Elizabeth has litigated cases in many areas of law, including personal injury, products liability, premises liability, contract disputes, employment law, professional negligence, and insurance arbitration.

Over the course of her almost decade-long career, she has become a skilled writer, successfully bringing and defending dozens of motions. Elizabeth has also honed her skills as an advocate, with first chair trial and appellate experience.

Elizabeth's clients appreciate her thorough analysis of all potential legal and factual issues at all stages of a case, helping them make the best decisions to bring about a favorable result as expediently as possible.

She also understands the importance of maintaining the delicate balance between an aggressive defense strategy and cost-effective litigation in representing her clients' interests.
